Mission Project Service & UISG:

"Working together to help Catholic missionaries obtain project funding"

Mission Project Service (MPS) is a capacity-building platform dedicated to increasing the fund-development skills and effectiveness of Catholic missionaries in need of financial support for their pastoral and socio-economic projects.

MPS *"teaches missionaries to fish"* in four key ways:

- bi-annual publication of The MPS Funding Guide – a resource that provides detailed information on 332+ grant-making organizations as well as valuable grant research, writing and reporting tools.
- content rich member website
- e-Communications and support
- workshop/classroom instruction
