SEDOS NEWSLETTER (Jan 2021)

Dear SEDOS Members,

We are delighted to present the **flyers for the upcoming SEDOS Spring Session 2021**. It will be a one-day Webinar on ***Islam and Mission***, with speakers from all over the world, online. Please forward the flyers to those you may think be interested (students can participate for free).

The Residential Seminar on ***Living Green Mission*** will take place this year, but we still have to decide whether to hold it only online or at Casa Divin Maestro as well. We will let you know at the beginning of February what the Executive Committee has decided, taking into account the present health measures.

For the Autumn Seminar we have a special request. We are organizing a ***SEDOS Mission Symposium***. First, we wish to collect articles from different people in the field on the specific topics we have chosen. Those articles will be printed in book form. Please see the attachment about this project. We would like you to give us the names of the members in your Congregation or of other people you think might make a good contribution to the reflection. Thank you.

Looking forward to your responses,

Fr. Peter Baekelmans, cicm

Director of SEDOS
